

Preparing Your Home to become Photo Perfect

What will happen during the photo session:

- The photographer appointment has been made on this date:/...../.....
..... am/pm
- The photo session will take no more than 2 hours.
- Both the inside and the outside of your home will be photographed.
- The inside of the garage is not normally included unless it has special features.
- If you have special features of your home, which you would like to include, please let us know.
- Turn on all interior and exterior lights
- Turn off all ceiling fans.
- Turn off television.

Preparation Checklist.

- Contain pets out of sight.
- Remove all vehicles from the driveways
- Do not park vehicles directly in front of your home.
- Move all bins out of sight.
- Remove all garden tools, hoses as well as sprinklers.
- Mowed, tidy and green garden always look best in the picture.
- Sweep driveways, carports, pergolas and other outdoor areas.
- Clear off kitchen counter tops, bathroom areas.
- Remove all photos, magnetic notes, and papers from the fridge door.
- De-clutter rooms which may be excessively furnished. They do not photograph well.
- Make all beds, and tidy bedrooms, hang or fold away all clothes.
- Remove piles of newspaper, junk mails, bills, and magazines.
- Hide rubbish bins in the cupboard or out of view.
- Let us know if your house contains valuable arts, and do not want to be recognized in the picture. We will blur them digitally.
